INFORMATION DISCLOSURE STATEMENT

Hon. Commissioner of Patents  
& Trademarks  
Washington, D.C.

Sir:

Attached is a copy of the British Search Report for the corresponding British Application 8203829 and a copy of the British Patent 1,547,882 cited therein. That patent plus USP 3,957,377 are listed on the attached Form PTO-1449, a concise explanation of the USP being given in the application: see the top of page 7.

An early action on the merits of this application is earnestly solicited.

Respectfully submitted,  
CUSHMAN, DARBY & CUSHMAN
